Dear Knitwit Fabric Club member

We are delighted to be sending you our latest set of samples in our Spring 2010 portfolio. This newsletter will be posted onto our web site for the general public to see from the end of March, until then club members have first priority to purchase.

We were very disappointed to hear that a few of you had to pay extra postage on the Spring 2010 samples because there was either insufficient postage or no stamp at all. We will refund this to you on your order if you let us know, we apologise most sincerely for this and cannot understand how this occurred as we double check all of our mail before it is posted. We can only think some stamps did not stick and came off. Let us know if you did not get the samples at all.

Holiday Closing - We shall be taking our annual holiday and will be closed from 14th April until 4th May 2010 so please make sure you send your orders in time.

Fabric Clearout - Our web site now shows all of the fabrics currently on special and their availability.

Printing Error - Hampton should have been £13.75 not £10.75 as shown in the last newsletter.

Enjoy your Sewing
Barbara

Knitwit Fabric Club - Even though you may no longer be a KFC member you can of course still buy our full range of fabrics and products, you just won't be able get the 10% discount or the special offers at the end of the season etc.

You can of course still rejoin the club now and benefit from these special offers. Membership is still just £12.00 for a full 12 months starting on the day we process your application.
