## Dear Knitwit Fabric Cub Member

We would like to begin this our first newsletter of 2010 with the hope that you all had a great Christmas and a wish that 2010 will bring health and happiness for you and your family. We were lucky enough to spend our Christmas and New Year with our son and his family in New Hampshire USA where we had two feet of snow over the holiday, not that it spoiled the holiday as it is dry powder snow and they are geared up for it anyway. The snowball fights with our two grandsons were terrific fun with the boys and their 6-month old Labrador puppy really enjoying getting their Nanny and Grampy down in the snow, we all slept very well that night.

To help dispel the winter blues and ease the pressure on those credit cards after the strain of the Christmas spend we are offering all of our Knitwit Fabric Club members some great savings including the opportunity to buy their basic fabrics at double discount, that's 20% discount instead of the usual 10%, from now until the end of February 2010.

Don't forget to use our new local rate telephone number and remember that we can retain your card details if you would like us to for future orders by e-mail, post or telephone.

Enjoy your Sewing

*Barbara*

**Knitwit Opportunity** - We would love to hear from anyone who would be interested in a business opportunity with Knitwit Fabrics.
